About Us

The Management Council works to continually provide opportunities to our management team by encouraging the exchange of information and ideas so that our managers can build stronger connections, make sound decisions and importantly, learn from each other while developing their leadership skills.

We are comprised of County employees who are covered under the Management, Confidential Clerical and Unrepresented Other Employee Resolution.

Our goal is to promote excellence among our members by providing opportunities for professional growth through education, networking, exchanging information, celebrating success and developing future leaders.
